CUBA - INSULT TO INJURY

In 1933, when the Bolshevik government in Russia was hanging on the ropes, economically and diplomatically, it was dramatically saved by a guardian angel.

No major country had recognized the criminal bolsheviks, who were murdering the millions of Gentiles who refused to bow to Communism. The insane policies of the Jew Communist commisars was making a shambles of Russia and provoking a rebillion which was sure to succeed unless some miracle could be performed. Without a miracle, communist Russia was DOOMED!

So Franklin D. Roosevelt, America's second red president (Wilson was the first), obligingly provided that miracle!

Sitting around a table in the White House at midnight, November 16, 1933, liberally oiled up with brandy and bourbon, Roosevelt, Acheson (the PAID attorney of Soviet Russia), and the Jew, Litvinoff (real name, Finklestein), the first "ambassador" of the criminal soviet regime, agreed that the UNITED STATES WOULD RECOGNIZE RUSSIA DIPLOMATICALLY!

This last-minute shot-in-the-arm gave the red tyrants sufficient prestige and morale to keep going and to gain recognition from the other powers.

As a result of Roosevelt's sell-out, the Jew-Communist masters of Russia poured spies, agents and saboteurs into America (as they are still doing), and American money POURED into Russia to bolster and promote our deadliest enemies!

It was this rotten deal, the FIRST big thing Roosevelt did upon getting into the White House, which made Jew Communism the deadly, world-wide threat it now is. Without this last minute "save" by Franklin Delano Roosevelt, Communism would have collapsed of its own rotten weight back in 1933.

Now ANOTHER red president, Jake Kennedy, has done it AGAIN.

First the Jew New York Times (Sulzburger-owned) tore down Christian U. S. friend, Batista, and built up Fidel Castro, through the Times' Herbert Matthews. Ed Sullivan and everybody in the red world whooped it up for Fidel, climaxing the buildup by a triumphant tour of the United States with presidential blessings.

Then the reds and pinkoes were all duly "horrified" when Castro announced what everybody knew years before, that Fidel was a COMMUNIST!

Behind Castro stood the Jew, Abraham Zincowitz, slyly directing the play-acting for Fidel and the Communist "people's revolution."

The insane communist economics RUINED the Cuban red government, and it was faced with collapse, just as was the Russian government before it. And, just as the Russian commies were saved by the last minute action of an American president--so were the Cuban reds saved by American traitors in the higher places.

Castro and his criminal gang of reds desperately needed prestige and MONEY.

The USA couldn't GIVE it to Castro outright. It would be too obvious.

So they cooked up an incredibly clever scheme so that we would be "FORCED" to give Castro what he needed to survive--for "HUMANITARIAN" reasons, of course, (with loud protests that we are "against" everything Castro stood for).

First, the Cubans were conned into trying an impossible "invasion", in which the key element--air support--was promised by the USA, AND THEN WITHDRAWN AT THE LAST MINUTE!

The predictable result was that thousands of Cuban anti-communist patriots were murdered at the Bay of Pigs, and other hundreds taken prisoner.

Then some of the prisoners were dramatically shot and others pointedly mistreated to build up sentiments in the USA.

Next, Mr. Castro demanded RANSOM for these poor, mistreated prisoners.

The red bed-bugs running the USA could NOT get away with naked payment of RANSOM to such a Communist creep as Mr. Castro, a pitiful beatnik who would have been driven out

with a troup of boy scouts a hundred years ago by any decent American Government.

So the veteran red satellite, Donovan, was called in to arrange another sell-out "deal," whereby the USA COULD FINANCE AND BACK CASTRO AND COMMUNIST CUBA--strictly as a "humanitarian" operation, of course--just as Roosevelt, thirty years earlier, told America that we could "beat" Communism more easily if her representatives were recognized and thus right out in the "open," where we could see them.

The capacity of the American people for political swindles seems to be fathomless.

The government couldn't pay the ransom OFFICIALLY, of course, nor could it get away with the deal at all, under ordinary circumstances.

The U.S. wheel-horses of CRYPTO-Communism were trotted out to spark the drive to give U.S. millions "unofficially" to bolster a tottering bolshevik tyranny. Red Eleanor and Adlai were leaders in this rotten "unofficial" deal.

AND THE WHOLE THING WAS ARRANGED FOR CHRISTMAS DAY--when America's big-hearted Christians are suffused with an all-pervading feeling of good will, brotherhood and humanitarianism.

Not only that, but, at the last minute, the Bolsheviks demanded AN ADDITIONAL TWO MILLION, NINE HUNDRED THOUSAND DOLLARS--almost THREE MILLION DOLLARS EXTRA RANSOM. This, of course, could not be paid by the government either--but the government's PRESTIGE COULD BE USED TO RAISE IT QUASI-OFFICIALLY!

ROBERT KENNEDY, THE PRESIDENT'S BROTHER, GOT ON THE PHONE AND RAISED IT! The total U. S. subsidy paid to the Communist beachhead 90 miles from our native land was thus EIGHT MILLION NINE HUNDRED THOUSAND DOLLARS!

The result is that the tottering Cuban economy has been SAVED, as the Russian economy before it WAS SAVED BY OUR OWN RED GOVERNMENTS!

THINK OF IT!

Castro's red Soviet satellite has thus been financed and guaranteed militarily by traitors in our OWN "government"!

I am aware as I write this that they might hale me up for "criminal libel" for this editorial.

I will take no fifth amendment or weasel if they do.

Bring them on! I will subpoena the EVIDENCE and the TRAITORS! The plain evidence shows that OUR JEW-DOMINATED RED GOVERNMENT KEEPS WORKING DAY AND NIGHT TO ADVANCE OUR DEADLY ENEMIES WHO BOAST THEY WILL "BURY US"!

They even USE CHRISTMAS DAY TO DO THEIR DIRTY WORK!

Under these circumstances, I cannot stand reading any more of the panty-waist "conservative" puke that Kennedy, Warren and all the rest of these rats are "confused" and "mistaken"--as H. L. Hunt calls it. They are NOT confused or "mistaken,"--they are proceeding according to PLAN--the JEW-COMMUNIST PLAN to destroy our White Christian American Republic and above all, OUR WHITE RACE!

Roosevelt saved Communism in Russia; Kennedy saved Communism in Cuba!

It is time to face up to the fact that this is TREASON, not honest error!

And it is time to STOP IT--as our forefathers stopped the much less serious outrages of the British government!

Let the panty-waists puke of mistakes and error. We recognize this vicious PLOT for what is is--TREASON! And we believe the American people are fed up with "conservative" stalling and pretty words in the face of plain, old, dirty, rotten TREASON. They will soon be looking for ACTION--old-fashioned, unadorned, uncompromising, drastic ACTION against TRAITORS!

The American Nazi Party is ready to give them exactly THAT!

Traitors will be tried and legally HUNG in 1973 (if they aren't lucky, like Eleanor!).

A little more--and America, too, will be ready!

FREUD ON HORSEBACK

Last night I watched a highly touted hour-and-a-half TV "western" called "The Virginian."

In the past few years one of my only personal pleasures has been watching TV westerns. I can never see my family; I don't drink; I can't enjoy the companionship of women; I can't go to "dances" or indulge in any of the other "pleasures," including movies, not only because we usually can't afford it, but because I am always recognized and I cannot afford to do anything which might reflect adversely on the party--even innocently.

But the old-fashioned "westerns" on TV used to provide pure "escape" from the bitter and often depressing battle which I must fight almost 24 hours a day.

In the good, old-fashioned American "western," the hero was 100% "good guy." He had no vices; he was gentle but immensely strong and ready to fight for his honor and against all wickedness and he was rarely, if ever, seen kissing the heroine. He was more likely to kiss his horse than the heroine in public.

The heroine was pure, wholesome, shy, demure, lovable, feminine and 100% "good." She was woman idealized, just as the hero was an idealized man.

The villian was a thoroughgoing and inexcusable scoundrel. When he was a good villian, you could build up such a passionate hatred of him that the final scenes where he got his comeuppance, regardless of how gory and brutal, were deeply satisfactory because they were thoroughly justified. These ancient and honorable--if "corny"--purely American dramas were an exact counterpart of the medieval moral shows put on by strolling players and depicting the eternal battle between "good" and "evil." Like McGuffey's readers, the old-fashioned American "western" was, above all, WHOLESOME and glorified virtue and heroism.

Awhile back, Conde McGinley and a lot of other well-meaning right wingers very rightly blasted away at the blood, thunder and guts on the TV, printing long statistics on the number of murders and beatings administered every evening on the screen. It is true that there was entirely too much bloodshed and violence every night on the TV for the kids a few years ago.

But the right wingers failed to realize that there is a distinction between the evil, depraved and vicious MURDERS, such as the thrill-killings by teen-age gangsters in Central Park, for instance, and the righteous and necessary elimination from the earth of the human "disease germs" of the world: the rapists, kill-crazy criminals, traitors and other anti-social vermin who badly NEED to be killed.

McGinley and others pointed out that the vast majority of the "blood and guts" TV shows were being put on by Jews.

But this certainly didn't mean that the Jews FAVORED such shows of violence. Far from it! As McGinley would be the first to admit, the Jews put on almost ALL the TV shows so that any type you pick can be shown to be "Jewish."

Actually, the Jews hated the old-fashioned American "western" worse than any Christian who was busy denouncing the blood and guts on TV. They know that the Aryan White Man has within him the fearful power of terrible violence when he finally arises in wrath against injustice and slavery. This is exactly what happened in Germany, when the German White Men had all they could take of Jewish treason, subversion and moral perversion. The Jews dearly want to turn the White Man from the terrible beast of prey, which he is by nature, into a pansified, impotent "peace creep" such as shuffle eternally before the White House and fill our colleges and universities. Such emasculated creeps can never and will never oppose the Jewish rape of our nation and race.

The old-fashioned American "western" tended to inculcate in our youth a love of the

HEROIC virtues of courage, honor, loyalty, self-sacrifice and self-discipline.

THESE ARE THE LAST QUALITIES THE JEW WANTS IN AMERICAN YOUTH!

The Jew, to accomplish his rotten and parasitic aims, needs first utter chaos and anarchy in the midst of which he can pillage and subvert the society unnoticed, as he is today. Then he needs a nation of docile, brain-washed, non-resisting cowardly sheep which he can put to work for Jewish gelt.

For this reason, the Jew, Newton Minnow was appointed by red Jack Kennedy to be the Tsar of our entire communication setup, including television. This Jew lost no time in APPARENTLY going along with the preachments of such sincere right wingers as Conde McGinley! Minnow decried the bloodshed on TV and set about methodically eliminating HALF of it--the old-fashioned American "western" as we once knew it.

BUT HE DID NOT LAY A HAND ON THE MOST EVIL ASPECTS OF OUR NIGHTLY TELEVISION CARNIVAL--THE DEPRAVITY OF THE GANGSTER, CRIMINAL AND GUN-MOLL TYPE SHOW!

What the Jew Minnow did, was not only to eliminate the just and moral killings of the American cowboy--but to glorify and build up the slum-type, depraved, despicable city hood and his degenerate rapes, robberies and murders--to say nothing of thrill killings and beatings.

The Jews, of course, could not get away with simply yanking immensely popular American "westerns" off the TV. Millions upon millions of us watched and enjoyed the masculine, honorable and moral battles of such as Cheyenne "Body" and other two-fisted, quiet talking "Robin Hoods" of the West.

As with everything else they rot out and ruin, the Jews use "gradualism" to get away with it. When you can't take the lollypop away from the baby, give him first a brightly colored but smaller lollypop, and then exchange this for a still smaller lollypop until finally the baby has nothing but the stick and at no point has the deprivation been bad enough to produce an outburst which might get back the lollypop.

This is what the Jew has done with our old-fashioned American "western."

At the beginning of this article I mentioned watching "The Virginian." This one-and-a-half hour "super" western has been immensely ballyhooed as the "western" to end all "westerns"--the finest kind of "western."

The plot of last night's "The Virginian" revolved around two sisters, one of whom was possessed with an insane jealousy and hatred of the other and spent the entire hour-and-a-half trying to kill her or get her killed in various devious, treacherous and sneaky ways.

IT WAS NOT A "WESTERN" AT ALL!

It was a Freudian, Jewish "psycho drama" full of the nastiest and most degenerate kind of depraved emotions and nasty, Freudian insinuations. "The Virginian" himself, appeared for a total of exactly two minutes--about one minute in the beginning when the sisters were arriving at the ranch, 20 seconds in the middle when he walked past, and another 10 or 15 seconds at the end when he posed for a moment as the camera faded out. The whole damned thing was a disgusting Jew soap opera on horseback, set amidst sage brush and a cowtown.

The rootin-tootin-shootin old-fashioned "western," beloved by millions of Americans who still admire bravery, courage, action and heroism, has now been replaced by the same kind of filthy Jewish social psycho drama as "Tobacco Road," "Catcher in the Rye," by the Jew, Salinger, and "Tropic of Cancer."

In the past year I have been forced to suffer through an hour of Sammy Davis, Jr., as "the fastest gun in the West," Matt Dillon preaching race-mixing with Indians, Negroes and half-breed Mexicans, "The Rifleman" preaching that even the worst bad man should not be killed but loved, etc., etc. Even the best of them, "Cheyenne," has degenerated under the Jew, Minnow, until Cheyenne hardly, if ever, pulls out his gun. Mostly he is rescuing kittens off a roof, old ladies stranded in floods, naughty boys who want to be "gunmen" and more of the same.

It has gotten to the point where every "western" you see preaches (1) Indians (usually obviously standing for Negroes) are as good as, or better, than white people (2) killing and violence are wrong, per se, and "the bad guys" need only to be "loved" out of their badness, and (3) it is the business of big, tough cowboys to be nurse maids to old ladies, little girls, naughty boys and especially weaklings who can't stand up like men.

In case all of this seems far fetched, let me point out to readers WHO is writing and producing this "western" garbage.

Every week on radio and TV the kikes put on a super Jew hour glorifying rabbis and Jews in general. The writers of this super Jew hour are Morton Fine and David Friedkind. Can't you just picture these liver-lipped, baggy-eyed, yellow skinned, hook-nosed, camel-faced kikes?

"The Virginian" is written by Morton Fine and David Friedkind!

Just like "The Vikings" in which Hollywood had to go find three Jews to play the part of the Vikings because, apparently, there are no Aryan white men left in America who could play the part of Vikings, we must now suffer with "westerns" written by a couple of the most Jewy Yids in the whole entertainment business!--This, in spite of the fact that the only kikes in the Old West, pretty much like our modern kikes, were probably selling whisky, guns, and running whore houses and saloons (like Goldwater's folks), if there were any kikes there at all.

To what Jewish depths has American culture sunk?

NAZI BOX SCORE

Our record as prophets

Since this issue of the ROCKWELL REPORT is published New Year's Day, we thought it might be interesting--and instructive--to see how we have been doing as "prophets" over the last four years.

Below, in tabular form, are 22 predictions we have made and the results.

1. PREDICTION: Oct. 1958: Our radical attacks would spearhead a terrific conservative uprising and right-wing resurgence.

   FACT: It has happened precisely, led by the Birch Society, etc.

2. PREDICTION: Aug. 1959: Castro is a Red and that he will bring soviet communism to Cuba.

   FACT: It is an accomplished fact.

3. PREDICTION: July 1960: (in a pamphlet called "The U-2 Hoax"). "The U-2 affair was cooked up to destroy Nixon and get Kennedy elected President."

   FACT: Powers has been released, his wife discovered the truth and tried to kill herself; Nixon was ruined and Kennedy is President.

4. PREDICTION: December 1959: (in "In Hoc Signo Vinces," something we had long predicted orally). A White Man's Internationale would be established.

   FACT: This summer the working formula for the World Union of National Socialists was codified in the Cotswold Agreements.

5. PREDICTION: Oct. 15, 1961: "This particular 'Berlin Crisis' is artificial and it will blow over."

   FACT: The Reserves were released and the "crisis" cooled down.

6. PREDICTION: Nov. 15, 1961: "The Dominican Republic will experience the phase of the communist take-over known as 'democratic reform'."

   FACT: Last week an extreme "leftist" was elected head of the government after months of turmoil and anti-American rioting.

7. PREDICTION: Dec. 1, 1961: "There will be no war over Cuba. And the Soviet Union, his (Castro's) patron, is not so stupid it would start WW III over this wretched musical comedy emperor."

   FACT: There wasn't.

8. PREDICTION: Dec. 1, 1961: "General Walker will flub his chance to be the 'man

on a white horse'. General Walker now holds the cards for a major victory...but as I told Newsweek, he will probably fail to MOVE IN, as he should, and will flub his chance."

FACT: Walker did nothing effective.

9. PREDICTION: Dec. 15, 1961: "Goldwater is a phony and obeying the Jew's motto of 'If you can't lick 'em, lead 'em',

FACT: Goldwater exposed as NAACP member and has blasted Welch, Walker and come out for Javits.

10. PREDICTION: Jan. 3, 1962: "The South's anti-integration tactics of fighting Federal government are doomed to failure. The South MUST realize that it cannot 'win' or even protect itself as an isolated semi-secessionist area of the USA."

FACT: Federal Troops have enforced integration at bayonet point.

11. PREDICTION: Jan. 3, 1962: "The South's elected leaders are helpless and worthless in fight. The blow-hard politicians who boasted that they would 'go to jail' before they integrated, are not in jail, but Negroes are in the white schools."

FACT: The recent Meredith case, Barnett's vows, and the result.

12. PREDICTION: Jan. 3, 1962: "And when Mississippi, Louisiana and Alabama are finally brought to their knees by LAW, as they will be, the rest of the South will completely collapse."

FACT: The South is making its final stand.

13. PREDICTION: Jan. 15, 1962: "We are pushing the right further to the right, and the left further to the left. As our phony war-scare inflated boom collapses, as it inevitably will, and as the race situation reaches intolerable chaos and violence, as it already has, all of these (right wing) groups to the left of us will be forced further and further to the right."

FACT: Even lace-bloomers' Buckley is blasting the ADL and the Jews over Schwartz and the "America" affair.

14. PREDICTION: Jan. 15, 1962: (On the parallel between America and Germany): "What happened in Germany from 1920-1932 is repeating itself with almost unearthy precision. Even the women's fashions, minature golf, and the mad atmosphere of the 20's is being rebuilt by the Jews."

FACT: Look around you.

15. PREDICTION: Feb. 15, 1962: "'Former' commie, Marvin Liebman, controls Young Americans for Freedom."

FACT: YAF moved out of Liebman's office, went to great pains to build image of YAF as an independent group.

16. PREDICTION: March 15, 1962: "William Buckley made a deal with Jew liberal, Roy Cohn, whereby Buckley blasted Robert Welch and Cohn's distributing company pushed National Review."

FACT: National Review is now found everywhere and the Jews have given Buckley a nationally syndicated newspaper column.

17. PREDICTION: June 1, 1962: "The Laos 'coalition' is a sell-out; the latest episode in the incredible march of treason is in Laos."

FACT: Neutralist coalition leader left country the day after coalition government was formed and turned reins over to his communist half-brother, who packed administration with reds.

18. PREDICTION: June 15, 1962: (On stock-market slip and panic wave last spring): "I am convinced the Jews will move heaven and earth to keep the economy going. There will be no crash for a while yet."

FACT: There has been no crash yet.

19. PREDICTION: Aug. 1, 1962: "Soviet Communism is STILL Jewish!"

FACT: Jew, Dymshits, has just been made Deputy Premiere and economic czar of Soviet Union.

20. PREDICTION: Sept. 15, 1962: Cuban Crisis: that it wouldn't rid Cuba of communism and was to get Kennedy's pinkos elected, and make an anti-communist hero out of Kennedy.

FACT: Communism is still in Cuba; Kennedy's boys got in, and Marxist Jack is everyone's hero. (P.S. Many right-wing groups are suffering severe financial strain.)

21. PREDICTION: Sept. 15, 1962: "Kennedy will act against Cuba just before the elections, not to kick Communism out of Cuba, but to 'get' the right wing in the elections and put Kennedy leftists in."

FACT: Kennedy "acted" a FEW DAYS before the elections. Communism is entrenched in Cuba stronger than ever; the Birchers are OUT, and Kennedy's men are IN.

22. PREDICTION: Jan. 3, 1962 and Oct. 1, 1962: "The bigger and bloodier the battle in Mississippi...the more crushing will be its defeat and despair as a result!"

FACT: The Jews have made an example of Mississippi, humiliated its leaders, kept Meredith in Ole Miss, and even grabbed General Walker."

Word from Wall Street

One of our confidential informants in New York City has learned to beat the Jews at their own game. He is a big stock broker in Wall Street, believe it or not!

This gentleman, whom the Jews imagine loves them dearly, has given us one of the most interesting, -and gratifying -bits of information we have received in a long, long time!

Our Wall Street correspondant informs us that the huge American companies which supply cooking and heating gas are privately horrified, -and laughing at the same time, at an amazing development in their business.

Most of these companies are still overwhelmingly Gentile.

And some of the top executives are reporting privately in New York's exclusive clubs that there is a sudden drop in JEWISH customers for gas service!!

Over luncheon tables at New York's super-exclusive Uptown Club, executives are whispering, between uncontrollable fits of partially suppressed guffaws, that hundreds of Jewish customers are calling in to have their gas cut off. When the company tries to find out why they are dissatisfied, they hem and haw about various flimsy "reasons" and say they are switching to electricity. But some of them have come right out with it and, in typically nasty Jew-fashion, admitted the truth; they just can't stand even the word "GAS" anymore!

Pity these poor liars! First they try to horrify the world with their awful lies about Hitler's "gas chambers" and the six million supposedly dead Hebes who are now resurrected in such vast numbers to run the New Frontier and to run more and more once-American businesses. Then they begin to believe their own lies, little by little. Then WE get the idea that maybe Hitler SHOULD have gassed his Jew Communist traitors like they keep saying he did, and begin to go into the streets to preach that we ought to gas OUR Jew Communist traitors.

So now, even while they are printing nigger-whistling-in-the-graveyard pieces in the New York Times saying that us Nazis are a laugh, the guilty little Yiddish reds and subverters are sick with fright as they see the steady growth of a WORLD NAZI ORGANIZATION for the first time in their 4,000 years of hating, swindling and abusing the rest of the human race.

It's no wonder the Communist Jew traitors can't stand to have gas piped into their homes where they can smell it!

However, we don't see how they can stand electricity much better than gas.

It was with electricity that we fried those sterling American Jew patriots, the Rosenbergs, at Sing Sing prison.

It looks like these Jew "patriots" are going to have to eat their blintzes, gefiltefishes and chicken-fat RAW!
